- OR
2. Purchase 3 CLSS Power Supplies, get the 4th free

Get a free Honeywell CLSS Pathway fire alarm communicator (HW-AV-LTE-M-2) when you buy three CLSS Pathways between March 2nd through April 3rd, 2026.

WHY CLSS PATHWAY?

- Compatible with any Honeywell or 3rd party fire alarm control panel
- Win recurring monthly revenue that the phone company typically earns on Plain Old Telephone Service (POTS) lines
- Lower your customer's costs by offering a 5G ready LTE-M network in place of POTS lines
- Establish a more reliable connection to the central station with dual SIM support for both AT&T and Verizon networks
- Differentiate your service with the industry leading Connected Life Safety Services (CLSS) software solutions for enhanced compliance and remote system visibility
